

Gold Prices Are Rising. We'll Buy Your Old Jewelry!

Sell It Or Trade It. Details Below.

Samaritan Arts® Jewelry
by Brad Ferguson

You can send us 1 piece of jewelry or 100. And while most businesses pay 50% or less of what the gold in the jewelry is worth, and some who take jewelry in trade for items on their website give as little as 33%, we will pay you 55% of the gold's current value, or 65% of its value in credit toward any item on our website!

WHAT KIND OF JEWELRY DO YOU ACCEPT?

We accept gold jewelry, whether 10K, 14K, 18K, 22K, 24K. We also accept platinum jewelry.

You can send us broken jewelry, old jewelry, new jewelry, gold coins, or any combination of those.

We *do not* accept diamonds, gemstones, or jewelry made with more than one type of metal, such as part silver and part gold, or part gold and part platinum. If your item contains a stone or stones, the stones will be discarded, but we will still be able to offer you the gold's value.

WHEN WILL I RECEIVE MY CHECK OR GOLD?

We will contact you via email once we have weighed and tested your jewelry to confirm the amount of money or credit you will receive. At that time, you may agree to have us melt your gold, or you can decline and we will ship your jewelry back to you (return shipping fees will apply).

We usually evaluate your gold within 1-2 business days and send checks or issue credit within 1-2 business days after approval.
